**Netanyahu's "Amalek" Doctrine: Genocidal Language Confirmed**

| Statement | Context | Source |
|---|---|---|
| "We read in this week's Torah portion, 'Remember what Amalek did to you.' We remember—and we act." | March 2, 2026, at Beit Shemesh missile strike site | Anadolu Ajansı ; Times of Israel |
| "Today, Iranians are Amalek." | Hebrew-language statement (translated by Iranian Embassy) | @IRAN_in_NL |
| "We are seeking to liberate the Iranian people." | English-language statement (same day) | @IRAN_in_NL |
| Previously applied to Palestinians in Gaza (October 2023) | Cited in ICJ genocide case against Israel | Anadolu Ajansı |

**What "Amalek" Means:** In 1 Samuel 15:3, the commandment is to kill all Amalekites—"men and women, children and infants, cattle and sheep, camels and donkeys." The text mandates total annihilation, including non-combatants.

**Application: Netanyahu** explicitly invokes this commandment against Iranians. This is not rhetoric. It is theological justification for genocide, identical to language used in Gaza.
